

SO JUST WHERE ARE WE THEN ??

Finding Wheatley Hill Angling Club is very easy indeed .

If you are traveling on the A19 North or South just look for the Durham, Wingate, Wheatley Hill turn off the A181 .

Take the slip road and join the A181 heading towards Durham , follow this for about 2 miles until you come to the large roundabout with the local landmark of the large sculpture of The Pit Pony (Mick) pulling the pit cart behind him ,situated in the middle of the roundabout . Take the 3rd exit and we are about 300m on the left . Or if you are traveling from Durham when you get to the roundabout it's the first exit on the left at the roundabout .

See the map below .

LOCAL AMENITY'S

Our Club is situated just on the outskirts of Wheatley Hill Village itself .Which has all the local amenities you associate with a large village perfect place to stop off and stock up on everything you could need for a day fishing or exploring the surrounding area which is steeped in rich Mining history which the area is famous for , we even have a local Heritage centre to have a mooch around to understand just how the area was so heavily involved in the Mining Industry and the impact it had on the region and the lives of the people who worked and lived in the area .

TACKLE SHOP

We are very fortunate to have a great Pet store / Tackle shop actually in the Wheatley Hill Village on the high street only a couple of minutes from our Club gates .

DAVEY GREEN WHEATLEY HILL PET & CORN STORES

Open Mon-Sat 09.00- 17.00 closes 12.30 Wed.
