

THE WHEATLEY HILL ANGLING CLUB

WHO ARE WE ?????

So what does Wheatley Hill Angling Club have to offer you ???

We are a very proactive, forward thinking angling club which prides itself on the principle of Fishing , Friendship & community in everything we do and the way we think about everything connected with the club .

We are extremely proud of the facilities we have on offer to our members and in the picturesque surroundings our members can fish in or just sit and relax or even join in a conversation going on around our lake's or in the tearoom . And there is always a conversation going on in the tea room trust me.

We have two fantastic looking lakes The Hilly & Ollys Pond on offer all secured behind locked gates away from prying eyes with no public access allowed . You will find detailed info on both lakes and the fish stocks under a separate section of the website .

The very ample parking at the club is also behind locked gates and is covered with CCTV for peace of mind when fishing . All our lakes are fully accessible to disabled members with every peg designed oversized to accommodate wheelchair members of the club .

As mentioned earlier we also have a tearoom which is normally open to all members to help themselves to a cuppa , top up flasks and fill their pot Noodles up or even just catch up on the gossip from around 9.30 until 1.00 every day or until the conversation dries up .

We also have at the club what we affectionately call the classroom in which we hold our meetings . Also inside this building is our toilet block with fully functioning flushing toilets both Male & Female cubicles which are very generously sized should any disabled members need to use our facilities and accessed by a ramp.

We also hope to be offering Coaching sessions from spring 2026 with our fully qualified Level 2 Angling Trust Coach , details for this will be posted on our FB page as & when this program gets off the ground .

So hopefully you will enjoy having a quick look around our brand new website , if you have any questions please feel free to contact us .
You will find all the contact details inside the website ...

Many Thanks ..
